# Tour de Fleece

## July 1 to July 23

The Tour de Fleece (Tdf) is an annual spinning event that takes place during the same time as the Tour de France. In 2024, the Tdf will take place from July 1-23, and participants can spin every day the cyclists ride. Spinners can set their own goals, such as spinning a specific amount for a project, spinning thin for the first time, or producing a particular yarn. Spinning can't begin until the first stage of the Tour de France starts, and it must end before or when the Tour de France reaches the final stage's finish line.

What will your goal be for this year's Tdf?

Spinning silk? Spinning cotton? Spinning thick and thin? Spinning

super fine? Spinning novelty yarn? Spinning for a woven scarf?

Spinning a "luxury" wool or a Conservation Breed? Spinning to

improve?

## Go for it!!
